I have a Nissan Rogue 2015 model. I tried to start the car after being out with a friend. I could access the car but then the notice on the dash said that the key code was not recognized.

Key is not being recognized by car - JustAnswer

Nissan NP200: Perfect All-Rounder. The Nissan NP200 bakkie is the spiritual successor to the immensely popular 1400 Nissan bakkie that was seen on every South African street during the 1980's and 1990's. In fact, the Nissan NP200 range of bakkies picks up where its predecessor left off and delivers on its promise to provide an affordable, hardworking half-ton bakkie for the South African ...

The ignition switch generally has four positions: off, accessories, on, and start. Some cars have two off positions, off and lock; one turns off the car, and the other allows the key to be removed from the ignition. When the key is turned to the accessories position, certain accessories, such as the radio, are powered; however, accessories that use too much battery power, such as window motors ...
