(3) The eight strands of the essential knowledge and skills for social studies are intended to be
integrated for instructional purposes. Skills listed in the geography and social studies skills strands
in subsection (c) of this section should be incorporated into the teaching of all essential knowledge
and skills for social studies.

Cambridge IGCSE Geography (0460) Through the Cambridge IGCSE Geography syllabus, learners will develop a 'sense of place' by looking at the world around them on a local, regional and global scale. Learners will examine a range of natural and man-made environments, and study some of the processes which affected their development.
