I f you have worked with the American Welding Society codes, you have probably heard about Standard Welding Procedures Specifications (SWPSs). A SWPS is define by AWS as a welding procedure specification qualified according to the requirements of AWS B2.1/B2.1M, approved by AWS, and made available for production welding by companies or individuals other than those performing the qualified test.

What is a Standard Welding Procedure Specification ...

(2005-07-15) The Lorentz Force The Lorentz force on a test particle defines the electromagnetic field(s).. The expression of the Lorentz force introduced here defines dynamically the fields which are governed by Maxwell's equations, as presented further down. Neither of these two statements is a logical consequence of the other.
