Veronica Mars is an American television series created by Rob Thomas. The series premiered on September 22, 2004, during UPN's last two years, and ended on May 22, 2007, after a season on UPN's successor, The CW Television Network. Balancing murder mystery, high-school and college drama, the series features social commentary with sarcasm and off-beat humor in a style often compared to film noir.

Reflective listening is a communication strategy involving two key steps: seeking to understand a speaker's idea, then offering the idea back to the speaker, to confirm the idea has been understood correctly. It attempts to "reconstruct what the client is thinking and feeling and to relay this understanding back to the client". Reflective listening is a more specific strategy than the more ...
