Chapter Review Congress was designed in a way that conflicts and compromise are common. National and local conflicts are inherent to the system—members of Congress are called to be responsible for the nation as a whole while also being responsive to their constituents. Congress' Place in Our Constitutional System

Chapter 10: Congress | American Politics Today, Third Full ...

Congress is composed of two chambers: the House of Representatives and the Senate. Senators serve longer terms and have larger constituencies than do members of the House, largely in an attempt to make Representatives responsive to local interests. Senators, on the other hand, are responsive to national interests. Congress and the People
