Best Answer: Alien invasion from another planet won't happen. An intelligent life form would die before they could get here, unless they could support multiple generations on a travelling vessel and produce their own ecosystem/fuel along the way. Humans are not alien to the natural world because we are from ...

Alien Invasion? | Yahoo Answers

What if there was an alien invasion does the government have some plans to protect us? I know this is kinda dumb but "Did you that we sent out a message" revealing that we exist and that we want a reply. Hehe I know its kinda wild but it is plausible. If the civilization we encounter is hostile then were in trouble.
