International marketing is simply the application of marketing principles to more than one country. However, there is a crossover between what is commonly expressed as international marketing and global marketing, which is a similar term. For the purposes of this lesson on international marketing and those that follow it, international marketing and global marketing are interchangeable.

Having arrived on this page you have probably surfed the Internet and scoured books and journals in search of the history of SWOT Analysis. The simple answer to the question What is SWOT? is that there is no simple answer, and one needs to demonstrate a little academic wisdom in that nobody took the trouble to write the first definitive journal paper or book that announced the birth of SWOT ...
