Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...

Education in the United States - Wikipedia

In this article written for Colorín Colorado, ELL expert Susan Lafond provides an overview of the ways in which Common Core State Standards in English Language Arts and Literacy differ from the standards that states currently use. She also discusses the ways in which these shifts will impact ELL instruction. Part I of this series offers a user-friendly introduction to the standards.
