Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

In this Graduate Bulletin Web site you'll find information about all of the graduate, professional development and continuing education programs offered by Northern and which classes you'll need to take to earn your chosen degree..
