Read the excerpt from The Crisis, Number IV. "Howe is now weaker than before, and every shot will contribute to reduce him. You are more immediately interested than any other part of the continent: your all is at stake; it is not so with the general cause; you are devoted by the enemy to plunder and destruction: it is the encouragement which Howe, the chief of plunderers, has promised his army."

This chapter introduces technology managers to certain key issues and to six methods of valuation and pricing. The value of a technology to a buyer (licensee) depends upon how it is to be commercially employed, taking into account the cost of development, the time the technology takes to generate returns, the extent of such financial returns, and the risk involved in the process.
