C Diff Diet Basics: Gain Control Over the Gut Bacteria Clostridium Difficile Watery diarrhea is the major symptom of a C diff infection, so it's no surprise that foods that combat loose stools are found in an effective, supportive C diff diet.

C Diff Diet Basics: Gain Control Over the Gut Bacteria ...

I have lived in an RV for many years and the majority of the tank cleaning fluids as well as the enzyme packets that you put in your septic tank in the RV usually have some type of citric acid in them because they are safe for plastic unlike most other cleaners.

DIY Toilet Bombs - Deodorize & Kill Bacteria! Just Drop ...

Great stuff. Given this complexity, I'm wondering if you personally consume probiotic supplements. Larry Smarr has said that only 15% of our gut bacteria are aerobes, so the other 85% cannot be impacted by the supplements (I think he did recommend prebiotic foods, tho).

One of the most contentious issues in the Paleo nutrition community is whether dairy products are health-promoting or disease-causing. On one end of the spectrum you have Loren Cordain and his group, who claim that dairy is not fit for human consumption for two reasons: 1) because it's a neolithic food and not part of our evolutionary heritage, and 2) because of proposed physiological ...
