### Angry Birds Project - Parabolas I don't even teach math ...

In this project students will graph quadratic functions based on the popular game, Angry Birds, by using equations and a Web-based graphing tool. Students will work in groups to apply the same principles to create their own game that uses quadratic functions. Students will exchange games with other groups, play the game and assess that game using a set student rating scale.

### Unit 5 Project: Quadratic Functions in Angry Birds | Curriki

The pigs have stolen the birds' eggs. That makes them angry, very angry. They take aim and launch themselves towards the pigs to get their revenge and reclaim their babies. Based on the classic angry birds game you will be guiding the birds to ensure that their aim is good. Enter the correct quadratic equation and birds fly on the right path and knock out the pigs.
