Issues: Solutions: Students need to understand the purpose behind using different feedback techniques. They will learn and understand more if they are in control of the feedback as it will be more meaningful and they will be involved in communication for a real purpose.

### **Classroom management: Alternatives to whole class feedback**

These worksheets are designed for use with the Macmillan English Dictionary for Advanced Learners (subsequently referred to as the MED2). All the definitions and example sentences used in the worksheets are taken from the MED2 and, although some of the tasks could be done using other dictionaries, there is a strong possibility that some answers would not be found.
