Are there any unanswerable questions? ... The question was always answerable, therefore Stuart of London was able to answer it. It did not change from unanswerable to answerable, although it did ...

### **Are there any unanswerable questions? | Notes and Queries ...**

Thus a question which is unanswerable in principle can have no meaning, it can be no question at all : it is nothing but a nonsensical series of words with a question mark after them. As it is logically impossible to give an answer where there is no question, this cannot be a cause of wonder, dissatisfaction, or despair.

### **Unanswerable Questions - Wikisource, the free online library**

The questions are unanswerable due to ambiguity of definition or being incomplete. In other words, they are flawed. But, Black is not a color, and depending on how the question is defined, a mirror's color is what it reflects, if the color of the material is asked, then it is green.

### **Unanswerable Questions | The Fact Site**

However, there are some seemingly unanswerable questions that neither science nor religion can offer a reasonable answer to, and I'll do my best to keep this balanced so I don't come across favoring one side or the other. With this in mind, I'll start with a rather unusual question. 1. Why is there an exception to every rule?
