Most people have the idea that the world, the universe, is an objective reality. It exists independently of us, independently of perceivers. For example, a tree is a tree.

Reality Is Subjective - Our Mind Is the Limit

Realistic- To be realistic, a goal must represent an objective toward which you are both willing and able to work. A goal can be both high and realistic; you are the only one who can decide just how high your goal should be. But be sure that every goal represents substantial progress.
