The modern welfare state has been criticized on economic and moral grounds from all ends of the political spectrum. Many have argued that the provision of tax-funded services or transfer payments reduces the incentive for workers to seek employment, thereby reducing the need to work, reducing the rewards of work, and exacerbating poverty. On the other hand, socialists

typically criticize the ...

Officially an economics major! After having started out in physics, realizing I wasn't too prepared for college work, much less for probably the hardest major that I could've possibly chosen, I couldn't afford (financially) to try another semester in it and do bad again or worse (even though I really wanted to go into science and I probably would've done a bit better a second time ...
