Homework Check: Our algebra calculator can help you check your homework. Simply enter your problem and click Answer to find out if you worked the problem correctly. Now, I hope you realize that if you simply put your homework problems into the calculator and copy the answer down, you're cheating yourself in the long run because you haven't really learned anything.

Like a treasure hunt! The pupils have a worksheet full of algebra questions they have to answer. When they have answered them they have to find the answers around the classroom/corridor/school and write the corresponding symbol (it's below the answer) in the next column (that way they can't guess the words).
