AARP's Medicare Q&A Tool

What Happens to Your Body When You're Sleep Deprived? If you want to ensure longevity and keep your body in the best shape, then you must take notice of your physical health. Your body is your "buddy for life," and how you take care of it can spell the difference between health and disease.

What Happens to Your Body? | Answers to Common Health ...

The stakes are high in any job interview, but health care interview questions can be especially tough. Employers want to be sure they're getting the best of the best, so they don't throw many softballs. Preparation is key for sounding polished and professional, so you definitely want to consider and rehearse your responses to common questions beforehand.

Health Care Interview Questions | Monster.com

A qualitative study was initiated to find out which particular aspects are included in health self-assessments; which aspects do people consider when answering the question 'How is your health in general?'. Subgroup differences were studied with respect to gender, age, health status and health assessment.
