One of the main questions we get around these parts is whether an old school transmission, like a TH350 or 400, will mount up to an LS. The answer is yes. While the bolt patterns are slightly different, older Turbo transmissions will in fact bolt right up to an LS engine without any adapters. The torque converter on the other hand is another story.

Best Answer: I think that more troops on the Western front would not not have helped. Bigger human wave attacks against machine guns just means more bodies piled up. However, without the Russian Empire entering World War I...there is no World War I. France didn't care if the Austrians slapped around Serbia.
