It would be the ultimate April Fool's Day prank, if only it had a punchline. Early on the morning of April 1, 2006, Brian Shaffer and his friend William "Clint" Florence were wrapping up a night of celebration commemorating their completed final exams and the start of spring break at the Ohio State University College of Medicine.

Information is of key importance to a speech because it shows that your claim are based on facts, and not generalizations which are made up. It also makes you look smarter and gives that impression that you have more research up your sleeve, if done correctly. However, for information to be useful in your speech it needs to be relevant and specifically support the point you are trying to make.
