Poultry resources for small farms "Profitable Poultry Production" by M. G. Kains, Orange Judd Company, 1910. "Poultry production is commonly practiced on every farm, but profitable poultry production so far as the farm is concerned, is rare indeed. No one, as a rule, has better natural conditions for poultry raising than has the farmer.

Food security is a measure of the availability of food and individuals' accessibility to it, where accessibility includes affordability. There is evidence of food security being a concern over 10,000 years ago, with central authorities in ancient China and ancient Egypt being known to release food from storage in times of famine. At the 1974 World Food Conference the term "food security" was ...
