The National College Entrance Examination (NCEE), commonly known as Gaokao (高考; gāokǎo; 'High[er Education] Exam'), is an academic examination held annually in the People's Republic of China. This Standardized test is a prerequisite for entrance into almost all higher education institutions at the undergraduate level. It is usually taken by students in their last year of senior high ...

The National College Entrance Examination - Wikipedia

Getting Started: First, get to know about your planet. Read as much information about the planet as you can find. Try both the Internet and the library; try the NASA web site, Zoom Astronomy, Nine Planets, a good search engine, an encyclopedia, and individual books on astronomy and the Solar System.. As you're reading about your planet, take notes on key information, such as your planet's size ...

You have probably encountered active recall testing in your school years without even realizing it. When good teachers give you a series of questions to answer after reading an article, or make you take weekly progress-check tests, they are not doing it simply to see if you understood the material or not.
