For purposes of this report, community is defined as any group of people who share geographic space, interests, goals, or history. A community offers a diversity of potential targets for prevention and is often conceived of as an encompassing, proximal, and comprehensive structure that provides opportunities and resources that shape people's lifestyle (McIntyre and Ellaway, 2000).

Mr. Hadley is a good professor. I NEVER understood algebra throughout high school and he helped me understand everything for the first time. The grading on tests is tough, but he has you take them over again and gives you 3 chances and makes sure all of his students get over an 80 on them (a pass) he looks out for his students.
